

Dear [name] ,

I would like to interview you. I took a look at your listing at RTIR.com and I'm very interested in your information (specifically what you are talking about in your bullet points, like EXAMPLE 1 AND EXAMPLE 2) and so would my members. I have paid members (in the relationship market) and I'm always looking for good quality content & interviews to offer them. You can plug anything you want. All I ask for is a 30 to 45 minute interview with you and any sales you make as a result of this are 100% yours to keep. My main purpose for this interview is to supply my members with good content each and every month. If you have more topics, we could even cover those on a separate interview.

Plus, I'll send you a copy of the finished production and you may use that as you wish for your own purposes.

Let me know what you think and we'll set it up ASAP!

Sincerely,
